8475ARR	Central Coast AVA	Santa Maria, California
Red	14%	Composite Cork
35% Grenache, 35% Merlot, 20% Syrah, 10% Cabernet Sauvignon		

---

## HOW IT'S MADE

Mostly comprised of marine origin, the well-drained sandy loams and nutrient rich clay soils allow for optimal growing conditions. Each varietal is harvested at the peak of ripeness ensuring the final blend maintains balance between aromatics and acidity.

---

## TASTING NOTES

The darkish rosy hue, savory herbal notes, plumb and spice are classic traits of the Rhone varietals blended with lush Merlot and a touch of Cabernet Sauvignon for tannic structure. This Bordeaux side of the equation equally offers cherry red licorice and berry undertones bringing balance and harmony with food or as a standalone drinker.
