HOW IT'S MADE

An energetic range of wines from the Languedoc, showcasing the best of modern French winemaking. The Languedoc is a region with plentiful sunshine that is famous for producing quality wines in abundance. This range of wines possesses fine aromatics, pure fruit expression, fresh acidity, varietal character and above all, a persistent finish. The goal is to create a range of wines of consistent quality that are delicious to drink on their own but also complement food well.

TASTING NOTES

Deep garnet color with vibrant plummy and blackberry fruit that fills the mouth. Soft and supple on the palate with good intensity of fruit and a lovely juicy finish.

FOOD MATCH

Try with chicken and pasta dishes, tomatoes or smoked bacon. Also, great with pizza, sausages and most barbecued foods.
