### HOW IT'S MADE

---

Grapes are picked from vineyards that are around 30 years old. Maceration typically lasts for 3-4 days. Fermentation takes place in stainless steel tanks at a controlled temperature between 22o-24oC.

### TASTING NOTES

---

Intense purple color. Easy drinking juicy style with a bouquet of soft plumb, bramble & cherry fruits. It's elegantly dry and complex making it well balanced.

---

### FOOD MATCH

Ideal with all types of meat dishes, pastas and cheeses.

---

### AWARDS

---

### ALLERGENS
