Red	13.5%	Screwcap
70% Merlot, 30% Mourvèdre		

HOW IT'S MADE

Merlot and Mourvèdre plots are carefully selected from the sun-drenched vineyards of southern France. The final blending is overseen by Guillaume Létang to ensure that we maintain the right style and balance. No oak is used.

TASTING NOTES

Brightly perfumed fruit, with just a hint of woody herbs, along side intense flavors of ripe damsons. There is some tannic grip here too, ends with a long lasting finish.

FOOD MATCH

Hearty pastas and other tomato-based and salty Mediterranean dishes.
